

Pattern 5A

Whenever the British came, Paul Revere signaled the militia.

Unless the cake falls, people will not eat it.

Unless Brian finds food, he will starve.

As the ghost haunted the house, he waited for the call.

As the gymnast flipped, the audience watched intently.

Because the soggy waffles froze, the toaster warmed them up.

Since the baker ran out of flour, the cookies came out nasty.

Once the zombie ate the pumpkin, he pooped on his grave.

Because he continued to yell, the science teacher sent him to the office.

When the mayor was murdered, a riot started to form.
