

## Pattern 10A

To gain weight, the monkey ate cake.

To protect the gem, the government put it in the safe.

To prevent catching Ebola, the scientist covered themselves.

To communicate with the sailor, the pirate shouted.

To bake the cake, the chef cracked eggs.

To create an experiment, the student tested chemicals.

To frighten the campers, the old man told a scary ghost story.

To keep the money, the crook ran away.

To defeat the Yankees, the batter cranked a homerun.

To sight in the gun, the hunter loosened his scope.
