

Binder Organization

Junior High Language Arts

Please label the first three tabs on your tab dividers as listed below. Place your folder after the 3rd tab. If you would like to keep anything else in your binder, you may use the remaining tabs *after* your folder.

**Tab #1: Sentence Patterns/
Grammar**

Tab #2: Independent Reading

Tab #3: Class Reading

Folder

You may keep anything else you would like in your binder (after the folder) as long as you keep your Language Arts materials organized in the proper tabs.
